## God's Constant and Everlasting Love – Psalm 86

Today, we're going to be thinking about how God's love is there for us – all the time, and for all of time. He never stops loving us. Even if we think we've done something wrong – he still loves us. Even if we don't love him back – he still loves us. And when we are old – he will still love us.

How amazing is that?!!!!

It means there will never be a time in your life when you are not loved by God. You are BELOVED.

I hope you know that.

Today's craft ideas – from Bethan de Mel and family – remind us of this wonderful Biblical truth.

### **Pocket love pebbles:**

How about having a go at making your own love pebbles? Find a stone to decorate in a way that reminds you that God's love is with you all the time.

Perhaps you'd also like to make one for a friend or family member.

### **Who needs reminding of God's love today?**

Can you see how these pebbles are formed in a cross shape?

The cross of Jesus reminds us that there isn't anything God wouldn't do to demonstrate his love to us.

'For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life.' John 3:16

## Origami love boxes
